

How to Setup your goREWARD Merchant App?

1. Open the goREWARD Merchant App, type in “Store ID”, “User ID” (staff id) and enter the password that you have created using the goREWARD merchant website.

The screenshot shows the login interface of the goREWARD merchant app. At the top left is the goREWARD merchant logo, which consists of a green geometric shape with the word 'go' in white and 'REWARD' in green, with 'merchant' in smaller grey text below it. Below the logo are three input fields: the first contains '01', the second contains 'ayesh@gosmac.mobi', and the third contains a series of dots representing a password. A green 'Sign In' button is located at the bottom of the form.

2. The goREWARD Merchant App will load as shown below and your staff can start using this Merchant App to issue point or perform point redemption etc..
