**3 steps to enjoy great rewards as MBCS LIFECARE MEMBER:**

Joining the MBCS Lifecare Membership program, earning Points are easy. Here's how it works:

**1 Join the Lifecare Membership Program**

Qualify for our Lifecare Membership Program is affordable, quick and easy. If you have not yet enrolled, simply complete the application form and email/whatsapp to us. All we need you to do is top up your membership and nominate referrals to do the same, it's really that simple. Membership is RM350 to start spending on our members' range of lifecare products and services and start earning points based on MBCS Accounts guidelines.

**2 Start Earning Points**

Once you top up your Lifecare Account, you don't have to do anything different to start earning Points. Every one Point (equivalent to RM1) will automatically be credited to you for every RM1 top up made to your Lifecare Account (aka Account 2). You can access your statement online with records of your payment, Points you have earned to date plus details of special offers from our reward program partners.

**3 Redeem your Account 3 Points**

Once you have enough Points in Account 3, you can claim the points in every spending made with Lifecare Account (aka Account 2) based on your membership tier. With more numbers of referrals who top up their Lifecare Account (aka Account 2), you will get to earn more points in your Account 3 too.

I hereby signed and acknowledged that I agree with the above terms and conditions as a MBCS Lifecare Member.
